

the copywriter's secret list of  
*30 Agritourism Event Descriptions*  
that sell more tickets

### **Animal Attraction Descriptions**

1. Screen-free, animal-packed entertainment that will have your whole family squealing with happiness! Enjoy feeding real-life sheep, pigs, and goats.
2. Spend 10 minutes with the world's friendliest and most adorable floppy-eared, velvety-soft bunnies, and forget about whatever that thing was that's been stressing you out all week.
3. Squishy, heart-warming, smile from ear-to-ear enjoyment is here! Spring has sprung, and our barnyard is teeming with baby animals. Get your Barnyard Tour tickets now - limited time slots are available.
4. Psst... don't tell your kids that they're actually learning responsibility, stewardship, and care-giving skills! They think they're just here to have fun with friendly, adorable animals.
5. Be amazed by nature's most beautiful bird! Paxton Peacock is showing off his 6-foot long, shimmering tail feathers. Learn what makes these natural wonders so spectacular in our Education Pavilion, where you'll experience the tiny crystal-like colors under a microscope.

## Animal Attraction Descriptions

6. You're going to love, love, love these incredible rescue animals! Get inspired as you hear their stories of survival. Donkey Odie is guaranteed to make you smile, and Minnie Pig's irresistible snorts will have you handing over all the treats. Enjoy heartwarming fun while supporting the sanctuary for animals who deserve a caring home.

7. Leave life's hustle and bustle at the gate, and experience a peaceful trail-riding adventure on horseback. Gentle, well-trained horses and your equestrian guide will treat you to an evening of colorful autumn leaves, fresh air, and the calm sounds of a nearby creek.

8. Experience the wonder of these tiny little artisans who are always buzzing about to create mouth-watering organic, local honey. Add the Bee Happy tour to your visit - see them at work and enjoy a sweet sample of freshly harvested goodness!

9. Enjoy the best flock party of the year! Laugh out loud at the henhouse antics - our flockers are always showing off on their playground of chicken swings, creative roosts, and musical pecking toys. Enjoy gathering eggs while admiring Egglon Musk, the noble and handsome rooster at the top of the pecking order.

10. "So exciting!"... "Don't miss this event!"... You'll agree that the Falconry Show is an amazing display of grace, power, and precision. It's simply a must-see show that highlights these magnificent birds of prey. Tickets sell out fast, so reserve your seat early.

## Instructional Classes

11. Campfire Cooking - getting back to basics has never been more delicious! Anyone can get these three simple recipes, and learn how to make scrumptious meals with just a camping stove and iron skillet. Join other camping enthusiasts for a fun afternoon, enjoy a tasty campfire meal, and get the skills to rise up as the M.V.P. of your next camping trip.

12. Backyard Chickens for Beginners - Thinking about getting chickens? Learn everything you need to know for healthy hens, easy coop care, and a regular supply of nutritious eggs. You're going to love our secret money saving setup hack. In fact, you'll save \$50 in coop costs before you even get your first bird!

13. Canning for Beginners - Make your own mouth-watering apple butter! Get the skills you need to start preserving fruit at home. And, learn how to turn your homemade goodness into beautiful gifts for friends and family. Space is limited, so reserve your spot now.

14. Wreath Making - Create the perfect wreath for welcoming friends and family this holiday season! Choose your color scheme, learn simple techniques for beautiful bows, and get ready to impress the neighbors... all while having fun with fellow crafters.

15. Archery 101 - Experience the thrill of hitting the bullseye! Master this timeless skill while learning alongside fellow, fun-loving outdoor enthusiasts. New students are welcome. Come meet our patient and knowledgeable instructors while space is still available.

## Instructional Classes

16. Basic Crochet - Warning: You're going to get hooked! Pun intended. It's art with a purpose. Learn this peaceful and timeless skill. Beginners are welcome. You'll enjoy making your own coaster set to take home the same day.

17. Foraging - Enjoy a beautiful walk through the woods, learn to identify wild plant species, pick your own edibles, and create a gourmet meal. Each step of the journey is led by our trained guides and expert chef.

18. Seed Savers - Harvest seeds from 7 locally grown, heirloom crops. Learn how to collect, prepare, and store them to grow your own successful garden. Every participant leaves with over 200 seeds for optimal growth in Nameofcounty.

19. Baby Goat Yoga - Improve strength, flexibility, and balance while enjoying the company of friends... and a dozen tiny, four-legged bundles of cuteness. It really is as much fun as everyone says it is!

20. Yarn It! - Connect with yesterday's beautiful traditions while enjoying an easy afternoon learning how to use a drop spindle to create yarn. Take a break from all of the fast and busy things in your life, and turn wool into something useful. Every participant leaves with their own ball of yarn.

## Children's Activities

21. Pumpkin Palooza - Finally... chaos-free, family fun for every age! Enjoy hilarious hay rides with Farmer Steve, master of dad jokes. Cut loose with squeal-worthy unlimited playtime on the city's largest playground! Pick the perfect pumpkin, and treat your taste buds to pumpkin-spice everything!

22. Nature's Art Class - Kids grow their imaginations, enjoy creativity, and learn to love nature as they use leaves, pine cones, natural dyes, and beautiful stones to create their own craft projects. Choose a class time that's convenient for you, then sit back in our parent's pavilion while we keep the kids busy. Reservations required - space is limited.

23. Horse Care for Kids - Every child will love this class! Experience the joy of caring for these empathetic, gentle giants. Groom and pamper your four-legged friend while learning the proper technique from our equine experts.

24. Birthday Party - It's easy for you, fun for the kids, and everything is included! Avoid the crowds, keep every guest smiling, and make incredible family memories. Spots fill up fast, so be sure to book ahead.

25. Parent's Morning Out - Enjoy a Saturday morning for yourself while the kids have fun, learn to care for farm animals, create their own craft project, and play games with friends. Limited class sizes + quality instruction... reserve your spot now.

## Children's Activities

26. Here We Grow - Kids plant their own herb garden! There's no better reason to play in the dirt. Learn about soil, covering seeds, watering, and watching plants grow. Every child leaves with 3 herbs of their choice in decorative pots.

27. Bucket Train Rides - Hold on tight and let the laughter go! You can't help but smile as you enjoy the open air, incredible farmyard scenery, and exciting twists and turns. All ages are welcome on the bucket train. One free ride is included with every entrance ticket.

28. Inflatable Jumper - Jump for joy, laugh out loud, and make beautiful memories. Kids need to move, and this activity is the perfect solution for endless, ear-to-ear smiles.

29. Fun Bundle for Kids - Our best value for family fun that supports local farm-to-table food! Bundle your kids' favorite activities together for one low ticket price and have the best day ever! Choose three festive activities, add a sweet homemade treat, and pick your own pumpkin.

30. Parachute Games - This timeless, fun-filled, cooperative play activity is a hit! Remember those big, colorful parachute games from elementary school? So much fun! Our Head Fun Guru, Miss Sarah, leads children of all ages in rib-tickling fun with her cyclone parachute that can accommodate up to 30 excitement-seekers at a time!
